Additionally, COUNTY agrees that each of its employees, representatives, agents, subcontractors or suppliers who is permitted access on school grounds when students are present, who has direct contact with students or who has access to or control of school funds must meet level 2 screening requirements as described in the above-referenced statutes and School Board Policies.

A non-instructional COUNTY employee who is exempt from the screening requirements set forth in §1012.465, §1012.468 or §1012.467, Florida Statutes, is subject to a search of his or her name or other identifying information against the registration information regarding sexual predators and sexual offenders maintained by the Department of Law Enforcement under
